Department In-Charge Guide

Complete guide for department in-charges to manage competitions, events, and students within your department

Version 1.0 | April 2026

Table of Contents

1. Your Department Overview
2. Competitions Management
3. Events Management
4. Assign Teachers
5. Select Students
6. Prizes Management
7. Reports
8. Change Password

1. Your Department Overview

As a Department In-Charge, you are assigned to ONE specific department (External, Internal, Sports, or Other). You have full management access within your department only. After login, you are taken directly to your department's competition page.

UI Element	Type	What It Does
Sidebar	Navigation	Shows your department name and all available pages within your department.
Department label	Header	Displays your assigned department name at the top of the sidebar.

Note: Unlike Coordinators, you cannot switch between departments. You only see and manage data for your assigned department.

2. Competitions Management

Create and manage competitions within your assigned department.

UI Element	Type	What It Does
Add Competition button	Button	Opens a form to create a new competition in your department.
Competition name	Input	Enter the competition name.
Competition date	Date Picker	Select the date.
Venue	Input	Enter the venue.
Competition cards	Card List	Each competition is displayed as a card.
Edit button	Icon Button	Edit competition details.
Complete toggle	Switch	Mark a competition as completed.
Delete button	Icon Button	Delete a competition.

How to Create a Competition

Step 1: Click 'Add Competition' at the top of the page.

Step 2: Fill in the competition name, select the date, and enter the venue.

Step 3: Click 'Create'. The competition is automatically assigned to your department.

3. Events Management

Create events for competitions in your department. Events define what students will participate in.

UI Element	Type	What It Does
Competition selector	Dropdown	Choose which competition (shows only your department's competitions).
Add Event button	Button	Create a new event.
Event name	Input	Name of the event.
Event type	Select	Solo or Group.
Category	Dropdown	Optional event category.
Class selection	Checkboxes	Select eligible classes (1-12).

4. Assign Teachers

Assign teachers to classes for your department's competitions.

UI Element	Type	What It Does
Competition selector	Dropdown	Choose the competition.
Teacher dropdown	Dropdown	Select a teacher.
Class selector	Dropdown	Choose the class.
Assign button	Button	Save the assignment.
Assignment table	Table	View and manage current assignments.

5. Select Students

Select students for events in your department's competitions.

UI Element	Type	What It Does
Competition selector	Dropdown	Choose the competition.
Event selector	Dropdown	Choose the event.
Student list	Table	Shows eligible students with selection checkboxes.

6. Prizes Management

Award prizes to students in your department's competitions.

UI Element	Type	What It Does
Competition selector	Dropdown	Choose the competition.
Event selector	Dropdown	Choose the event.
Prize dropdown	Dropdown	Select prize type.
Award button	Button	Save the prize.

7. Reports

Generate reports for your department's competitions and participations.

UI Element	Type	What It Does
Export button	Button	Download report as CSV/Excel.
Report table	Table	View participation and prize data.

8. Change Password

Change your login password from the sidebar footer.

UI Element	Type	What It Does
Current Password	Input	Enter current password.
New Password	Input	Enter new password (min 8 characters).
Confirm Password	Input	Re-enter new password.
Change Password button	Button	Save changes.
